
WHAT IS THE FALMOUTH GARDEN CLUB?

Founded in 1931, the Falmouth Garden Club's objective is to encourage the study of and interest in gardening and horticulture, to aid in the protection and conservation of our natural resources and to assist in the beautification of Falmouth.

We belong to the National Garden Clubs, Inc., the largest volunteer organization in the United States. National Garden Clubs promote the love of gardening, floral design, and civic and environmental responsibility.

WELCOMING NEW MEMBERS TO THE FALMOUTH GARDEN CLUB

The FGC meets on the first Monday of every month except for August and March.

Meetings are held at the First Congregational Church across from the Village Green.

If you or someone you know is interested in joining the FGC, please visit the website www.FalmouthGardenClub.org for more information.
